ORDER:

In the G.O. first read above, Government have issued comprehensive guidelines for constitution and organization of Hospital/PHC Development Societies, in all Teaching Hospitals, District headquarters Hospitals, Area Hospitals, Community Health Centers and other Government Hospitals and Primary Health Centers.

2. Government have observed that, no expenses can be done by Superintendent of Hospital without the prior approval of HDS. It is also observed that many times HDS meet after long gap, sometimes with a gap of few months. Thus it will be very difficult for the Superintendents to use HDS funds on day to day basis for running the hospital. With the result although funds are available in HDS, Superintendents are not able to make use of it for their day to day operations.

3. Government have reviewed the entire issue in detail and in order to make Superintendent of Hospitals more responsible and accountable for running the hospitals, it is proposed to delegate certain financial powers to Superintendent of Hospitals for utilizing HDS funds.

4. Not withstanding orders issued in reference cited and amendment thereon Government after careful examination, hereby delegate the power of expenditure up to Rs.5.00 lakhs per case with a maximum of Rs.50.00 lakhs per financial year to the Superintendents of Hospitals duly following normal State Government rules and regulations for procurements etc., while spending HDS funds and details of such expenditure done shall be placed in the next HDS committee meeting for information and review

5. Government also orders that, the Superintendent of Hospitals concerned will implement the Government orders as and when issued without delay without waiting for the formal approval of HDS and place the matter before next HDS meeting for its information.
